Description

ryonkt is Ryo Nakata, well-known for his great releases on Dog Eared Netlabel, Noise Joy and Mandorla. Equipped with guitar and notebook, Ryo creates dreamy and relaxed music between minimal folk and ambient.

“the world that was surrounded by a deep forest and warm light“ is a peaceful and easeful place. It is a kind of arcane space in everyday life, but easy to find with a bit of relaxing. Listen to the repetitive guitar chords, slightly moving in each passage. The fragile melodies, build with just a few tones, protected by a fine layer of delays, will guid you to this world.

Take a break and enjoy this great journey.
